THIS SUMMER JAPAN COMES TO YOUR HOME

Explore Japan Summer Enrichment/Exchange Program 2017
is Seeking Student Staff Ages 15+

- Want a job that is unique, broadens your horizons and teaches you about another culture?
 - Want a job that looks great on your college or professional applications?
- Want a job that involves making new lifelong friends from the other side of the planet?
 - Want a Job that is just plain FUN?
 - Then, you want to work with Explore Japan!

Student Staff will take part in all activities with the other students but are expected to be leaders and set an example of high level participation and enthusiasm. You will be asked to assist the younger students in the classroom and help lead the group during off-campus activities to places like Canobie Lake Park and the MFA. We believe that hosting is an important part of the Explore Japan experience and require that all participants host a Japanese student during the program.

**Staff will Receive a Stipend or Community
Service Credit for Their Time**
